Certificate of Service
 I, Brent Jacoby did on this 9th day of December 2022
 give the lock up unit officer a copy of this 1983 Action to put in
 the prison MAILBOX to be sent to the U.S. post office for delivery
 to U.S.M.D.C. One Church Street suite B-110 Montgomery AL
36104.

- #1) ON OR ABOUT MAY 31, 2022 While at Easterling Correctional Facility Jacoby went to the B-Dorm lock up unit from population and was placed in B-#1 OR #2 Cell.
- #2) At Roughly 3:30 pm up to Roughly 5:30 pm OFFICER Siler can be seen on the Video Surveillance camera IN the B-Dorm lobby and on camera on the B-1 side teasing Jacoby with 2-Big see through laundry bags full of his legal documents pertaining to all of Jacoby's pending 42-USA-1983 Civil Rights cases that he has pending in this United STATES Middle DISTRICT COURT of ALABAMA.
- #3) Jacoby has those cases pending ^(#1) Jacoby V. Carrier et al, 2:19-CV-01067 ^(#2) Jacoby V. Dunn et al, 2:21-CV-0349 ^(#3) Jacoby V. Dunn et al, 2:21-CV-043 ^(#4) Jacoby V. West, 2:21-CV-031 ^(#5) Jacoby V. Gordy et al, 2:21-CV-0723 ^(#6) Jacoby V. Gordy et al, 2:22-CV-393 ^(#7) Jacoby V. Al. D.O.C et al, 2:22-CV-391 ^(#8) Jacoby V. Hamm 2:22-CV-0411 ^(#9) Jacoby V. Wexford Health Sources 2:21-CV-0170
- #4) Jacoby has Amended some of those cases already and has Filed a few more new cases since so some of those defendants will be different he just has not heard back from the court yet and fears he is still having problems pertaining to his legal mail and law documents deliberately being tampered with, delayed and/or lost on purpose
- #5) Cpt. Gordy is the lock up unit Captain over lockup, Lt. Jones is the Lieutenant over lock up and officer Siler was the officer assigned to work lockup on a regular basis.

WARDEN CARTER ~~IS~~ the Warden over Easterling Correctional Facility.

- #6) OFFICER Siler can be seen on the Video Surveillance camera on B-1 side and on the B-Dorm Lobby camera leaving back out of B-1 side with Jacoby's Law work and personal property and never doing an Inmate personal property inventory sheet of it on Jacoby's behalf like the ALABAMA Dept. of Corrections policy Rules and Regulations tells him to. He deliberately refused to give Jacoby his Law work and deliberately refused to inventory it and have Jacoby sign the form and put it up in storage for him somewhere in a safe and secure location until he, Jones and Gordy decided he can have it.
- #7) Lt. Jones and Cpt. Gordy Failed to make sure Jacoby's property was inventoried on a property sheet like AL. D.O.C. policies tells them to do. Jones, Gordy and Siler all Failed to follow policies and make sure Jacoby got his legal documents and personal property when he was put in the lock up unit.
- #8) Jacoby repeatedly wrote AL. D.O.C. Investigations and Intelligence Division, Warden Carter and Commissioner John Hamm of the AL. D.O.C. about Officer Siler, Lt. Jones and Cpt. Gordy ~~about~~ deliberately losing, stealing and or destroying his pending civil rights lawsuits documents and begging them to please help Jacoby find, locate and or replace his legal documents ~~and or~~.
- #9) Jacoby wrote very detailed grievances to Hamm, Carter and I and I regarding what happened on May 31, 2022. And how he never seen what Siler did with his property but the cameras should show what happened to it.

- #10) IN Fact FROM on OR ABOUT June 1, 2022 up to on OR ABOUT July 7th 2022 Jacoby continued to have problems with not only his legal documents never being located Found and or replaced Jacoby's incoming and outgoing legal mail to the United STATES middle DISTRICT COURT for Alabama And defense counsel was being tampered with by the lock up unit Supervisor Lt. Jones, Cpt. Gordy and the mail Room officer Ms. Blakely. Jacoby's mail was not making it out the prison in a timely manner to this court and defendant's lawyers in these pending 42-USC-1988 lawsuits and OR WAS not making it period! Sometimes it would take 1 to 25 days just to leave the prison.
- #11) Jacoby suffers mentally and memory loss from his mental disorders, cancer on his facial features, And from all the beatings he has taken over the years by officers and inmates And has a very hard time remembering things.
- #12) Jacoby submitted proof to this court that his mail was being tampered with and Not even going out to the courts in a timely manner by writing the clerk of courts and by filing a motion And attaching mail and Ms. Blakely's responses as exhibits to one of his motions. Jacoby will have to get a lawyer to help him get copies of this proof through discovery because he can't remember what case it was in; doesn't have access to the court records to look at everything he has filed and he doesn't have \$50⁺ available to send the court to make copies.
- #13) Jacoby made paper trails by writing the Commissioner of Corr. John Hemm, Warden Carter at Easterling, Cpt. Gordy and Lt. Jones over Easterling lockup grievances and investigation and intelligence Division over Al. D.O.C. Grievances about his missing legal documents pertaining to the May 31, 2022 incident Jacoby went to lock up for when Lamont Tanner Faulkner raped him.

- #14) Jacoby wrote motions to the Court (U.S.M.D.C. in Montgomery ALABAMA) Very detailed motions back in June and or July 2022 describing times, dates and names of Employees of AL D.O.C. and what cameras needed to be looked at to prove his allegations in this 42 USC (1983) but this court denied his motions and told him that they didn't want to be bothered and told him to file new lawsuits. So this is what Jacoby is doing.
- #15) Heather Hamm, Carter, Gordy, Jones and I and I Division of AL D.O.C. Investigated Jacoby's Allegations, Responded to Jacoby's letters and Grievances and looked at the cameras to get Jacoby's missing law work and property back.
- #16) Sometime back in July around the 7th 2022 Jacoby was transferred to Bibb County Corr. fac.
- #17) On or about August 23, 2022 while at Bibb Corr. fac. at roughly 6:00 am Jacoby was violently assaulted in his sleep by inmate Corey Sanders and was taken out of the prison and sent to a Free World Hospital.
- #18) Jacoby's property and legal work was not packed up by AL D.O.C. officials and an inmate inventory property sheet form was not filled out by the Dorm officer, Shift Commander and Cpt. Hutton as the AL D.O.C. policies Rules and Regulations demand them to do. Instead Jacoby's property and law work was left behind for inmates to read and steal.
- #19) While Sgt. Searley transported Jacoby to the hospital on August 23, 2022 Jacoby heard Sgt. Searley personally call Cpt. Hutton on the phone and asked him to please make sure all of Jacoby's property and legal documents were all packed up and sent to the shift office so that Jacoby would not

[pg 5 of 14]

lose them And he told Cpt. Hutton that Jacoby wanted to press charges on Inmate Corey Sanders and wanted him validated as his enemy.

- #20) Cpt. Hutton never got Jacoby's property and law work nor did any other A-Dorm officer where Jacoby was housed pack up his property and do a Inmate Inventory property sheet Form as the Al. D.O.C. policy Rules and Regulations demands them to do. When Jacoby got back to the prison later that night on August 23, 2022
- #21) Again Jacoby immediately started writing Warden Gordy at Bibb Prison and Cpt. Hutton at Bibb prison and Commissioner John Heman of the Al. D.O.C. and Investigation and Intelligence Division for the Al. D.O.C. About his missing legal documents from on or about August 24, 2022 up to on or about September 10th 2022 numerous letters and grievances pertaining to his missing legal documents and giving them the approximate time, date and housing location of A-1 Dorm and what cameras to look at in A-1 Dorm and the A-Dorm lobby so that these defendants could help Jacoby find his law work to all his pending cases in the United States Middle District Court of Alabama. None of these Defendants responded to Jacoby period nor did they do a investigation into his missing property and legal documents to find out where the property went to. It was never found or replaced.
- #22) Again Jacoby wrote this court motions complaining of his missing property and legal documents and begged this court to intervene, look at the cameras and order the prison officials and or defendants to replace, locate and or find his law work pertaining to all of Jacoby's pending civil right cases in this United States Middle District Court. The Judge again all refused to get involved and told Jacoby to file more lawsuits.

#23) ON OR ABOUT September 19, 2022 Jacoby was called To medical at about 4:00 AM at ~~Bullock~~ Bibb County Corr. Fac. and told he was on the transfer and going to Bullock Corr. Fac. Jacoby was denied by the medical officer to go back to E-4 Dorm (where he was assigned) and pack up his property and law work. The cameras up in E-4 Dorm and the lobby prove this.

#24) Jacoby seen Cpt. Hutton and Warden Cordy in I.C.S. At the receiving back gate and told them that all his law work and personal property was in the E-4 Dorm and he needed to go get it. Both Cpt Hutton and Warden Cordy told him no and that they will get someone to go get it. However this never happened. The cameras in E-4 Dorm and medical prove that between 4:00 AM and 10:00 AM Jacoby's law work and property was left behind on his bed and under his mattress. No property sheet inventories his property was ever done as policy demands and again Jacoby lost more of his law work.

#25) While at Bullock Corr. Fac. From on or about September 19th 2022 up to October 4, 2022 Jacoby wrote numerous complaints, Grievances and letters to Commissioner Hamer and I and I about his missing legal documents and how Cordy and Hutton refused to let Jacoby get his property and law work before he transferred from ~~Bullock~~ ^{Bullock} and no inventory property sheet was done again on his behalf as policy demand per A.I. D.O.C.s. Again no responses were given

~~#26) On or about November 19, 2022 while at Bullock~~

#26) Again Jacoby wrote motions to this court begging for the court to order employees of Bibb Corr. Fac. Facility

/pg 7 of 14

To Find, Locate and or Replace his missing legal Documents. Again the Judge in all his Cases denied his motions and Told him to File a new Lawsuit.

#27) On or About November 10, 2022 at Roughly 3:00 pm Jacoby went to lock up in B-Dorm at Bullock Corr. Fac. and again NO OFFICERS, Shift Commanders, the F-Dorm officers nor the lock up unit officers went to get Jacoby property and Law Work. The P.R.E.A. Compliance Manager at Bullock Mr. McClure told Jacoby to go get his property and the clothes he was wearing when he was Raped so that he could get the D.H.A Evidence and submit it to the CAB. Cpt. Rodgers Refused to let Jacoby go get the Evidence for the P.R.E.A. Investigator and his Law Work and sent Jacoby straight to lock up in B-Dorm. Cpt Rodgers Never even went to get the D.H.A Evidence much less Jacoby's LAW WORK and property and again NO Inmate Inventory property sheet was done on Jacoby's behalf AS Policy Demands and Again Jacoby's property and legal Documents were left behind. The cameras PROVE this again.

#28) Jacoby has wrote Numerous letters, Grievances and Complaints to I and I for the A.I.D.O.C., Commissioner John Hemm and Wardens Thompson, Jones and Lamar about this and again nobody has Found, located and Replaced his property the whole time he has been in lock up since November 11th, 2022 up to this 11th day of December 2022.

#29) Its very obvious that because of all of Jacoby's lawsuits he has Filed since 2019 that Commissioner Jefferson Dunn, John Hemm, Hutton, Wardens McCoy, Carter, Cpt. Gordy, Cpt. Rodgers, Lt. Boyd, Lt Jones, and all the way down to the Sgt's and officers that work for the A.I.D.O.C. Hold the mail room staff at Bibby Easterling, and Bullock prison that not only is Jacoby's legal

1 p38 of 14

documents being deliberately stolen and/or lost on purpose by defendants or the Friends of defendants.

- #30) Ever since May 31, 2022 up to on or about December 9th 2022 starting at Easterling Correctional Facility Defendants Carter, Gordy, Jones and Siler Retaliated against Jacoby for Filing Lawsuits against them and or there Co-Workers at Easterling Correctional Facility by conspiring with each other to lose his legal documents to all his pending lawsuit he has Filed in this United States Middle District Court of Alabama because these defendants knew that Jacoby could not adequately pursue his lawsuit against them or there co-workers.
- #31) Jacoby had and still has some pending Civil Right cases Against Carter, Gordy, Jones and Siler at Easterling Correctional Facility and or he has pending Civil Right cases against co-workers of these defendants that work at Easterling Correctional Facility. Cpt Gordy, Lt. Jones and officer Siler deliberately refused to follow Al. D.O.C. policy Rule and Regulation by inventorying Jacoby's property and law work on A Inmate Inventory of personal property form when he went to lock up Suicide Watch in regards to a Botched Rape investigation on May 31 2022. It's all on CAMERA, Investigation and Intelligence Division For Al. D.O.C. Has a copy of the Videos showing Siler was the last person seen with A Big Laundry Bag Full of Jacoby's law work showing it to Jacoby at his cell door and leaving with it and refusing to give it to Jacoby. Jacoby wrote motions to this Court about this issue, Jacoby wrote I and I Din-for Al. D.O.C. about this issue and wrote Warden Carter about this issue But nobody would interview.
- #32) Warden Carter of Easterling deliberately Refused to Review the CAMERAS as did Cpt. Gordy to help Jacoby Find his law work

and Just Flat out Failed to ~~investigate~~ do any type of Investigation into what officer Siler did with Jacoby's property. Cpt. Gordy is the Captain over lock up and Jacoby is already suing him and Carter in this Court so obviously they Both were in cahoots together by deliberately Refusing to find out where his law work went and Retaliated against him because of all his grievances and lawsuits on them by Failing to contact Siler and see why a property sheet was not done and see where his property went to.

#133) Jacoby Wrote Commissioner John Hamm about this missing Law Work back in June and July and he Refused to assist Jacoby in locating it and Reprimanding Siler, Gordy and Carter not Following policies by doing a property sheet, losing his Law Work. John Hamm Flat out Ignored Jacoby's letters.

#134) The Mail Room Lady Mrs. Blakey was deliberately withholding Jacoby's legal mail to this Court and legal MAIL to Jacoby from this Court by not getting it to him in a Timely manner and to the Court in a Timely manner and even losing his MAIL on purpose sometimes. Jacoby Already submitted Evidence to this Court as Exhibits in his motions which this Court Refused to entertain and told Jacoby to Just File new Separate lawsuits. This was proven and sent to this Court back in June and July 2022.

#135) Jacoby made paper Trails proving these Allegations by sending evidence to this Court and I and S Div. for the A.I.D.C. because Jacoby knew it would come to him losing cases and not being able to get more copies made. This is why he wrote very detailed motions and grievances showing the Court and Investigators what cameras to look at and the times and dates and names of people to prove he was not lying.

#136) Jacoby has Already tried suing Christopher Gordy Warden at Bibb and Cpt. John Hutton in this Court as well and has Already tried suing A.I.D.C. Employees here at Bullock Prison

Also in this court in the past several years.

- #37) Not only has Defendant Here at Bullock deliberately refused to get Jacoby Law Work and follow policies because they all were conspiring to ruin Jacoby cases by losing his law work on purpose by leaving it behind in another drama so he could not get it but his legal mail is being tampered with again pertaining to all his pending cases in this court.
- #38) Jacoby's legal mail from this court is not making it to him in a timely manner because the mail room officer, ~~Ward~~ here at Bullock and Cpt. Rodgers are tampering with his legal mail - incoming and outgoing mail is not making it to and from its destination in a timely manner. (See Exhibit A)
- #39) The Video Surveillance Cameras up in B-Dorm B-12 cell on December 9th, 2022 between ~~12:00~~ 12:00 pm and 3:00 pm show "OFFICER White" bringing to ~~cell~~ ^{JACOBY'S} cell "4-pieces of legal mail" and telling ~~him~~ to sign for it. These 4 documents were
- (A) 2:21-CV-00931 Jacoby V. West Doc. #77. It was mailed on Nov. 22, 2022 got it on Dec 9th, 2022
 - (B) 2:21-CV-08483 Jacoby V. Dunn Doc. #32. It was mailed on Nov. 29, 2022 got it on Dec. 6th, 2022
 - (C) 2:21-CV-08931 Jacoby V. West Doc. #79 It was mailed on Dec. 5, 2022 by U.S.M.P.C. Got it Dec. 9, 2022
 - (D) 2:21-CV-08931 Jacoby V. West Doc. #78 It was mailed on December 2, 2022 by defendant Burr/Forman got it Dec 9, 2022.

#40) Jacoby is submitting the envelope ~~as~~ (exhibit A) that this mail came in. He is not submitting the Big Brown Envelope that Burr and Forman's motion to dismiss came in but it ~~was~~ Doc. #78. The cameras in B-Dorm cell #12 prove these allegations and Jacoby is writing Investigation and Intelligence Division for A.D.O.C. to preserve the video surveillance footage to prove he is not lying and to investigate his mail being tampered with and delayed.

(Pg 11 of 14)

#41) Also on or about November 15th, 2022 at roughly 9:00 am Jacoby can be seen in B-Dorm at cell #12 (B-1#124) telling Cpt. Rodgers and Warden Lamar and Thompson that he had a deposition set for 10:00 am at Bullock Corr. Fac. with ~~the~~ ^{his} attorneys for Dr. West in case #2:21-cv-0831 (MD AL)

#42) Jacoby was in lockup pending some type of investigation because he was assaulted by inmates roughly 8-11 times from on or about November 1, 2022 up to November 10, 2022 and ~~he~~ ^{he} was on about November 5th, 2022. However even though all of this is on camera, Rodgers, Lamar, Jones and Thompson all failed to do a investigation and write these ~~memos~~ ^{reports}. Jacoby wrote the I and I Division for the M.D.C. And gave them very detailed statements 3 times about where to look on the camera, what doors, what dates and times these violent assaults occurred and who failed to protect him because Jones, Lamar, Thompson and Rodgers at Bullock are trying to cover up these violent assaults that turned Jacoby into a walking Bruise.

#43) Rodgers, Lamar and Thompson seen how Bruised up Jacoby still was all over his body that they refused to let him go to his deposition on November 15th, 2022 at Bullock Corr. Fac. In case #2:21-cv-0831 Jacoby v. West (MD AL). Jacoby never refused his deposition. In fact the camera will also show Jacoby was mad and screaming on the door for the wardens to come see him because Rodgers refused to let him go and Rodgers came to the door cell door #12 in B-Dorm with a big can of pepper spray and threatened to spray Jacoby with it if he didn't get off the door and sit down. So out of fear of being beat up again and pepper sprayed by Rodgers Jacoby sat off the door and immediately began writing motions to this court explaining everything in detail.

PS 12 of 14

#44) Jacoby's U.S.C. Rights Are being Violated by all defendants herein because they are all Retaliating Against him for Filing lawsuits in this court and are conspiring with one another to destroy Jacoby's lawsuits and having his cases dismissed by withholding his legal mail to the courts and defendants company without his permission and for no justifiable reason. Defendants are deliberately delaying his access to his legal mail from the court and defense counsel in all his pending cases in this court as well and hampering his ability to adequately pursue his cases and access the courts. Defendants herein are deliberately losing, leaving behind and or stealing his legal documents so that he can not access the courts and pursue his lawsuits in a timely manner and replace ~~these~~ missing legal documents because they know he can't afford to replace documents at .50¢ per page. Defendants are denying him access to court ordered depositions in one of his cases as well which is about to make him lose another case.

#45) Every single one of these defendants know that this court refused to entertain a "side trial" or "look into" or "investigate" Jacoby's motions to the U.S.M.D.C. accusing them and or their co-workers of stealing, losing and or deliberately misplacing and leaving behind his law work and told him to just file another lawsuit. Because of this court refusing to interview and assist Jacoby with his allegations and sanction A.D.O.C. officials for deliberately refusing to follow policies by packing up and inventorying his legal documents on a property form, this gives the A.D.O.C. employees and defendants herein a way to "beat" and "destroy" ALL Jacoby's lawsuits against them. This court may as well make it good law and say it's legal for correctional officers to just take inmates legal documents, legal mail and deny them access to the courts and depositions from now on so they won't ever have to be liable.

185130114

In A court of Law and can start getting AWAY with Violating Inmates Rights. Inmates may or will not even Have Rights now because its okay For A.I.D.O.C. employees to Just steal and lose all their legal Documents.

#146) Jacoby has provided so much proof of all these Allegations and has the cameras up all over the place to back it up But What good is this if the court wont entertain it and I and I Div. for the A.I.D.O.C. wont investigate anything he says.

#147) This Lawsuit is for the widespread Abuse Jacoby has endured by the A.I.D.O.C. employees since MAY 31, 2020 up to December 9th 2022 and only has to deal with

(A) conspiracy to deny and delay access to ~~depositions~~ depositions of the courts by withholding incoming and outgoing MAIL and ~~being~~ deliberately losing and stealing Jacobys legal Documents. 1st, 6th and 14th Amendment Violation.

(B) Retaliatory treatment for Filing 42 USC 1983 Civil Rights lawsuits by losing Jacobys Law work and not doing property inventory sheets as policy of A.I.D.O.C. demands Violated Jacobys 1st Amendment Right under the U.S.C.

(C) Because of these unlawful Acts by defendants Jacoby has suffered cruel and unusual punishment, Emotional distress, Is losing Court cases

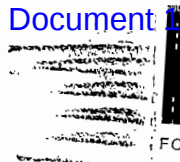

Jacoby suffers From Mental Disorders, memory loss, Cancer, Asthma and COPD and is not a lawyer. He cant keep up with all of this constant Drama and Emotional Stress and Anxiety defendants are causing him. ALL of this

STUFF Jacoby Just wrote in here is closely Related to a constant Repetitive pattern by the A.I.D.O.C. officers and is constantly going on. This is why he put it all in one lawsuit so the court will see it for what it is. Jacoby is probably dying in this cell right now because the Doctor dont want to pay and see how bad his cancer has spreaded and run more tests. IF This court tell him to Amend this he will Appeal it Because its all Related and shouldnt have to File 5 or 6 Separate new lawsuits because its all 1 clear pattern of Abuse of Authority by the hands of A.I.D.O.C. with its constantly Stealing and losing his law work, constantly delaying his incoming and outgoing mail and denying him Access to depositions and the courts.

48) Jacoby doesnt know what hes Filed or hasnt Filed yet or When he did File something or the data things were Filed And Sometimes ReFiles the same stuff 2 and 3 times because He Really doesnt Remember and All his legal work keeps getting lost or stolen or left behind by officers so its impossible to adequately pursue his cases period. Nobody can! Not even Real Lawyer can keep up and Remember stuff if there computers and Law Work kept getting stolen by DISTRICT attorneys or defendants they are suing.

#49) Because of everything stated herein Jacobys Life is imminant Danger in the A.I.D.O.C. and all of his law work is in Jeopardy and Imminant Danger of dying in the courts. Defendants And or Employees of A.I.D.O.C. are going to kill Jacoby next because they are going to see the courts dont care and its okay to do this to Beat lawsuits Against them.
